

# Bachelor of Christian Business Administration

**Upon completion of the Bachelor of Christian Business Administration, the graduate should be able to:**

1. Demonstrate a foundational understanding and integration of Christian faith with core business principles, including management, leadership, finance, ethics, and administration, grounded in biblical worldview.
2. Apply servant leadership principles to guide individuals and organizations, effectively engaging both believers and nonbelievers while modeling Christ-centered values in the workplace.
3. Demonstrate developing competencies in Christian leadership, business communication, organizational administration, ethical decision-making, and critical thinking.
4. Identify, plan, and support organizational and ministry-related initiatives that align with biblical stewardship, the Great Commandment, and responsible business practices.
5. Evaluate personal, spiritual, and professional growth and begin developing habits that support lifelong learning and ethical leadership in Christian business environments.

**Bachelor of Christian Business Administration degree program is designed to prepare students with a strong foundation in business administration while integrating biblical principles and Christian ethics. The program equips students to serve effectively in churches, nonprofit organizations, faith-based enterprises, and the marketplace. Emphasis is placed on practical application, ethical leadership, stewardship, and organizational effectiveness from a Christian perspective. Core learning experiences introduce students to essential business disciplines while fostering spiritual formation and professional readiness rooted in Scripture.**

**Prerequisite: High school diploma, GED, or equivalent.**

**Virtual Learning**

**Life Experience Credit**

**Self-Study Courses**

**Degree Completion Timeline**
